CEASA**

Dear Phillip

**WORKSHOP ON REGULATIONS FOR MEDICAL DEVICES AND IN VITRO DIAGNOSTIC DEVICES
(IVDS) (7 – 8 September 2011)**

We would like to extend an invitation to you, your committee and your members to attend this workshop.

We regard CEASA and its members as important stakeholders in this process and would value their input in the process of finalizing the regulations.

Details of the workshop can be found in the attached announcement

Venue: Birchwood Conference Centre, Johannesburg.

Email queries to: medicaldevices@ihrm.co.za

Registration fee: R2 500.00 (VAT excl) per person

Draft programme attached

NB: We have also invited ECRI, although we have not included them in the draft program due to late confirmation. We feel an interaction between CEASA and ECRI will be beneficial to both CEASA and the country at large as we are also looking at establishing a formal relationship with ECRI as a country
