Bulletin to Prospective Members

What?

- An Association for persons employed in the field of Clinical Engineering.

Why?

- A voice for the industry.
- An all-inclusive umbrella Association for all Clinical Engineering practitioners.
- Branch websites with the latest regional news and Members' listings.
- Future discussion forums, site visits and talks.
- A National website with common news for all South African CE's.
- Impending legislation and registration with the Engineering Council of SA.
- An ECSA recognised body representing Clinical Engineering in SA.
- Direct input at ECSA into the process of registration of Clinical Engineering practitioners.
- Members are afforded a discount against ECSA registration fees.
- Promote and develop standards.
- Professional recognition amongst peers and employers.
- Links with international associations.
- Free industry related CD-ROMS, catalogs and materials data.
- Keeping up with technology and having fun doing so.

When?

- Now.

How?

- Download a [Printable Membership Form](#) or ask your local Committee Member for this.
- Submit a completed Application Form through a local Committee Member.
- Submit a completed Application Form via the post.
