 and Agfa Healthcare

East Cape X-Ray cc.

POSITION AVAILABLE:	CLINICAL ENGINEERING TECHNICIAN AND TECHNICAL SALES REPRESENTATIVE
LOCATION:	EASTERN CAPE (PORT ELIZABETH)

We are currently looking to fill the following position:

- Qualified Clinical Engineering Technician to be based at our branch / workshop in Port Elizabeth.
- Responsibilities will include the sales, maintenance and repair of a wide range of hospital equipment throughout the Province.

We are looking for a dynamic, self motivated person who will fit into our growing company and be able to start performing from day 1. This requires someone with a good general working knowledge of Patient Monitoring and Ancillary Equipment. Incumbent will be responsible for our large installed base of Philips Monitoring Systems.

Successful candidate must be able to communicate at the highest level and portray a professional image to customers.

Requirements:

- Valid drivers license
Excellent communication skills
- Ability to work on site, willingness to be on standby and take care of call-outs
Must be able to cope with stressful working conditions

Preference will be given to:

- Candidates that are either currently resident, or originally from the Eastern Cape Province
- Candidates that have a Clinical Engineering / Electronic Engineering Diploma
