## ELECTRONICS MEDICAL TECHNICIAN

The above mentioned company requires a young, junior, “in house” electronics technician for the JHB South branch (Aeroton). The successful candidate will be required to repair sensitive electronic medical equipment and therefore must be diligent and take pride in what he/she does. Training will be provided either locally or overseas. Basic electronic qualification essential. Must have own transport. Please e-mail CV to [electro@global.co.za](mailto:electro@global.co.za)
