POSITION AVAILABLE:	CLINICAL TECHNICIAN / ENGINEER
LOCATION:	LIMPOPO - MODIMOLLE

We are currently looking to fill the following position:

- Qualified Clinical Engineering Technician to be based at our branch / workshop in Modimolle (Nylstroom).
- Responsibilities will include the maintenance and repair of a wide range of hospital equipment throughout the Waterberg Region.

We are looking for a dynamic, self motivated person who will fit into our busy service centre and be able to start performing from day 1. This requires someone with a good general working knowledge of all types of hospital equipment, who is able to fault find to board level.

Requirements:

- Valid drivers license
- Good communication skills
- Ability to work on site, willingness to be on standby and take care of call-outs
- Must be able to cope with stressful working conditions

Preference will be given to:

- Candidates that are either currently resident, or originally from Limpopo Province
- Candidates that are fluent in speaking Sepedi
- Candidates that are currently members of CEASA
- Candidates that have a Clinical Engineering / Electronic Engineering Diploma
