POSITION AVAILABLE:	CLINICAL ENGINEERING TECHNICIAN AND TECHNICAL SALES REPRESENTATIVE
LOCATION:	EASTERN CAPE (EAST LONDON)

We are currently looking to fill the following position:

- Qualified Clinical Engineering Technician to be based at our branch / workshop in East London.
- Responsibilities will include the sales, maintenance and repair of a wide range of hospital equipment throughout the Province.

We are looking for a dynamic, self motivated person who will fit into our growing company and be able to start performing from day 1. This requires someone with a good general working knowledge of all types of hospital equipment.

Successful candidate must be able to communicate at the highest level and portray a professional image to customers.

Requirements:

- Valid drivers license
- Excellent communication skills
- Ability to work on site, willingness to be on standby and take care of call-outs
- Must be able to cope with stressful working conditions

Preference will be given to:

- Candidates that are either currently resident, or originally from the Eastern Cape Province
- Candidates that have a Clinical Engineering / Electronic Engineering Diploma
